

# Midway Dental Supply Feature Office

## Hamilton County Endodontics - Carmel, IN

*Congratulations to Hamilton County Endodontics and Staff Dr. John Marosky, Dr. Brian Tate & Dr. Michael Aslin on the opening of their new office located at 14757 Oak Road Carmel, IN 46033 (317) 580-0123*

*After choosing A-dec operatory equipment in their Kokomo office in 1985, there was no discussion over what brand they would choose for their new Carmel office. The dependability of a A-dec for over 20 years was the reason for such brand loyalty.*

*When the doctors decided to build a new office in the Carmel area their goal was to provide a comfortable, friendly atmosphere with technologically advanced dentistry in mind. The entire group feels that this goal has been achieved.*

*From the reception room chairs to the operatory equipment Midway Dental Supply provided many choices for Hamilton County Endodontics to make this office a success!*

*When you choose MDS, we design your office around **your** needs utilizing the best manufacturers to meet your requirements.*
